

Daylily Board Meeting August 2017
3:05pm

John could not make the meeting, but did send the treasurer report

Questions for John: How much did we take in / spend for the show? Clarify "Show judges" expense. What is "program" in "Total 47200 - Program Income." Breakdown income further to discover what is truly profitable, ex: are t-shirts worth the cost?

Give extra t-shirts to visitors and speakers, from regional meeting in 2015 "summer in the city."
