PIEDMONT DAYLILY CLUB
November 18, 2006

Linda Gluck opened the meeting with the pledge to the flag.

She asked if we had any visitors. We had one visitor, Tony Beale.

Concerns: Andy Fox said that Jim Walsh has had surgery. Sue Gamble's husband, Wayne has been in the hospital and may be facing a stint procedure. Linda read a note of Thanks from Ruth who is recovering at her daughter's. Cards sent to her home address would be appreciated. Cindy Dye thanked us for the fruit basket in memory of her mother.

Old Business: Linda reminded us all to make a donation for our refreshments.

After much discussion a motion was made, seconded and passed to limit our donations for deaths to Region 15 and club members with the Memorial going to National. Our executive Board would decide on who and how much. In the future we will send cards instead of flowers for illnesses.

The Executive board consists of: President, 1st and 2nd Vice Presidents, Secretary and Treasurer.

Bob Marshall suggested that a roster and List of programs be included in the member folder we give out.

Old/New Business: Bob shared several ideas and suggestions for all to think and reflect on for ways to raise money. He suggested we entice new members at the yearly show offering points or Club $ for attending 3 meetings. These $ could be redeemed for daylilies during the 1st year only or applied towards AHS or club dues. Judith questioned a new member for her opinion on this idea. She liked it. A New Membership Chairperson would be needed. Paul Owens agreed to take this task on.

Another idea to think about is having 11 meetings a year with one being a picnic in a summer month perhaps in June or July at a garden. Perhaps moving the club Auction to August and not having a meeting in December.

A novel idea for one month would be "Daylily Bingo". More details to come later.

All members could earn Daylily $ for work done. A list would assign points or $ for different chores.

Bob also feels a great deal of money for the club could be earned at a public auction in addition to our club auction. Bob is in the process of talking with Stowe Botanical Garden as to a partnership between us. He will report back after they meet.

Our club will spend over $10,000.00 a year and our dues won't cover this budget. We need money making ideas. Cindy wondered if an on line Auction would be a good money maker. We need everyone to think on these possibilities and what they would like to volunteer to chair and or work on. Everyone would need to volunteer.

The Executive board will consider all of the proposals.

Cindy Dye shared with us about other clubs handling of "
Show" expenses. She apologized to JD for losing her cool at the 2006 show. The cost of the show was $3,357.00. We need to look for ways to reduce these expenses. Cindy prepared a chart of what other clubs choose to cover as to stipends, motel rooms, meals for judges and lunch for show workers. Most do not cover all and most only have 9 judges. It was suggested we make the "off scape" category a "Peoples Choice Award" perhaps next to the photo contest. These are ideas for thought and the Executive Board to make recommendations before the next show. Think about limiting judges, call local judges 1st,stipend or motel, lunch the day of the show. Stipend and motel cost both are not the norm.

Andy thanked Linda and Bill Gluck for all their hard work the past two years.

Door prizes were drawn for and handed out.

Meeting adjourned

PIEDMONT DAYLILY CLUB
October 21, 2006

Linda Gluck opened the meeting with the pledge to the flag.

She asked if we had any visitors. We had several visitors who introduced themselves and one new member. We also had one person interested in joining the club.

Concerns: Ruth Holbrook had surgery and was reported to be doing well. Linda passed a card for all to sign. Cindy Dye's mother is critically ill and prayer was requested for her and the family.

Old Business: Jim Siwik made the motion that the slate of nominees made last month for officers be voted on. The motion was seconded and passed by acclimation.

The issue raised last month for making a contribution upon the death of a Hybridizer was revisited with some discussion as there is nothing pertaining to this in our Bylaws. Judith Weston felt that an exception should be made for Beth Crochet and otherwise keep it to our region. It was decided that this issue be discussed at the next Executive Committee meeting and then their proposal be brought before the club for a vote.

Linda announced that Bob Marshall will chair the committee for the 2008 Summer Regional. Everyone will be expected to help him---remember Linda's picture of all the raised hands. See Bob if you would like for your garden to be considered for a "Tour Garden"

New Business: Judith suggested that maybe we need a Fund Raiser for our club as we are low on funds. Jim Siwik's name was mentioned as a possible chairperson. We will think on possible ways for making money and discuss at the November meeting A brunch was discussed but it was decided that November is too busy.

Andy Fox introduced our guest speakers, Steve and Sarah Zolock from Belle Vernon, Pa.

After a lovely program Andy auctioned off 12 gift plants from our guests.

Door prizes were drawn for and handed out.

PIEDMONT DAYLILY CLUB
SEPTEMBER 16, 2006

Linda Gluck opened the meeting with the pledge to the flag. She recognized several first time visitors and new members.

Concerns: Prayer for Cindy Dye's mother who is in the hospital and has been diagnosed with cancer. Remember Kenneth Wilkie in the loss of his father. His funeral is today. Bobby Baxter has some health concerns. We were sorry to learn of the passing of several hybridizers this summer: Beth Crochet, Ned Roberts and Steve Moldovan.

Judith requested if we as a club could honor these with a memorial gift? Linda will be checking our bylaws for the correct answer.

Our Thanks, to J.D. Stadler for a great Flower Show in June. Linda reported we took in $1,800.00 in flower sales and added 10 new members.

Congratulations to all the "Photo Contest" winners.
Thanks, to Bob Marshall and the helpers for their hard work at the show with the contest. It was suggested that next year we add the web address for all the viewers.

A round of applause for Sue Gamble who was able to attend today. She has graduated to a walker

Old Business: Some members have failed to pay their dues. Check the membership list in the foyer.

New Business: We are scheduled to host the 2008 Summer Regional. Everyone's help will be needed. Linda took a picture of a show of hands from all willing to work.

The nominations committee presents a slate of names to be voted on next month:
President: Andy Fox
1st VP: Bob Marshall
2nd VP: Betty Earl
Treasurer: Mitchell Hagler
Secretary: Sherry Meincke
The floor was opened for additional nominations; Motion was made to close the nominations, seconded and passed.

The Fall regional is at Monk's Corner and all are encouraged to attend. Check the Region 15 web site for details.

Bob Marshall had remarks pertaining to "value received" in bidding on the auction plants.

The Auction was turned over to Andy Fox

Door prizes were drawn for and handed out.

Meeting adjourned.

PIEDMONT DAYLILY CLUB
May 2006

Linda Gluck opened the meeting with the pledge to the flag.

She asked if we had any visitors. There were not any today.

There were no concerns.

Old Business: Sandy Parker sends her Thanks to all who contributed plants for the Habitat sale.

Linda has the information requested on "weeds" from the State Department of Agriculture.

Cindy Dye reported that she and Sandy Collier met with the applicants for the Hagler Scholarship Award. They were impressed with a senior at Providence High School. They recommended Tory for the 2006 award. Linda thanked both for doing the interviews.

Bob Marshall requested snapshots from member's of their gardens to be used at the show in June. He encouraged all, even small gardens to send in their photo's either by e-mail or snail mail as soon as possible. Also remember to attach Velcro dots that cling to the fabric on the back of contest photos. Also put your name and the name of the flower on the back of photos.

The amount we took in from the April auction was $1,570.00.

J.D. Stadler reported that the show in June is on track. He requested that any committee needing workers let it be known.

Remember to bring Daylilies for the sale tables. Each member needs to tag these with Name or at least the color and ½ the Eureka suggested price. Please wash and trim the plants as well as tagging them. Send the names of plants you will be donating to Karolyn Hudson at gnk_hudson@ msn.com. She will compile a list for Bob Marshall.

Let Linda know if you would like visitors when your garden is in bloom this year.

New Business: Cindy Dye reported the newly formed Catwaba Valley Daylily Club has a few spaces left on a van ride to "Marietta Gardens" on June 3, 2006 at a cost of $20.00. Contact her if you are interested.

Bob Marshall as the Youth Liaison for Region 15 would like to see our club form a leadership committee for us to stat a Youth outreach. The motion was made, seconded and passed. A volunteer is needed to head up the committee.

Cindy did an excellent job of helping everyone understand how to fill out the entrant cards for the show in June.

Bob Marshall gave a very informative talk on photographing flowers

Everyone needs to read the Show Schedule handout.

Door prizes were drawn for and handed out.

Andy fox opened the meeting with the pledge to the flag. He recognized several first time visitors.

Old Business: Sandy Parker asked if anyone brought plants for the "Habitat for Humanity" plant sale. Several people have plants to give her at the end of the meeting.

J.D. Stadler ask if we were happy with the prizes given last year at our show ? The response was positive so he will shop with that in mind.

Wing Haven's Spring Sale is scheduled for April 25-28. Everyone invited.

J.D. Stadler read a letter from the Charlotte Council of Gardens inviting anyone to a luncheon on May 24 for $25.00. The speaker is Joe Carloftis. Information on the table for anyone interested.

Bob Marshall requested anyone with old pictures of meetings or activities to please bring them for display purposes. They can be scanned and digitized with the originals returned.

He also urged everyone to enter the Photo Contest. He suggested Velcro tabs be attached to the backs of photos entered.

New Business: Bob Marshall has been given the task of "Youth Liaison for Region 15". One suggestion to encourage participation is to establish a "seed bank".

Sue Gamble brought a picture of the Glucks and Rachel Schul weeding her garden for her.

Andy Fox opened the yearly auction.
Door prizes were given out.

Judy Gluck opened the meeting with the pledge to the flag. She asked if there were any corrections to the minutes of last month's meeting. As there weren't any the minutes will stand as printed.

Linda welcomed all visitors. She reported that Sue Gamble is still improving and even trying to weed from her wheelchair. Linda is going to help her weed and would appreciate anyone else's help who could weed also. She reported that Bob Lockman's mother passed. Becky Olsen reported progress in the treatment of Emily, their daughter-in-law.

Linda introduced JOY GOFORTH, a plant pest specialist for NC Department of Agriculture and Consumer Services She spoke to us on the importance of having our gardens inspected. If you sell or trade you need to get inspected and be licensed at the cost of $6.00. Just give her a call. She has placed some goodies and her card on the back table. Of note is the fact that RUST is no longer a restriction. The cost to sell as a certified Nursery is $10.00. If you ship across state lines and/or if your garden is over one acre in size you must be certified.

Linda expressed our Thanks to the hostesses for all the good food.

Old Business: June 24 is the date for this year's flower show and plans are going well. It is planned to have a Sale table of more recent cultivars priced at $20.00 and up.

Bob Marshall passed a fact sheet on the proposed "Photo Contest". He went over the proposed rules. Prizes would be given out at the September meeting. The contest is restricted to members only. Andy Fox moved to accept the proposal, motion was seconded by Terry Baucom and the motion passed.

Sandy Parker reminded us of her request for plants next month for the "Plant Sale" for the Habitat for Humanity's benefit. Please bring to our April meeting or contact Sandy at 704-543-9552.

Next month's program will be the Auction of the Hybridizer's plants that the club purchased. If the plant auctioned is not a 2006 introduction the increase doesn't have to be returned to the club. Also if you pay catalogue cost the plant is yours to keep.

Mitchell has requested someone to assist him in judging applicants for schlorships. Sandy Collier and or Cindy Dye might be able to assist him.

Linda recognized that Betty Earl is now our Publicity chairperson, and Kenneth Wilkie is our Web Master, Bill Gluck is now our Historian. Check out the back table—great job Bill.

The gift plants from Melanie Mason will be auctioned at the end of this meeting.

Andy introduced Bobby Baxter of Happy Moose Gardens. We enjoyed a great slide presentation. Bobby urged us all to attend the June 15 Regional meeting in Raleigh.

Door prizes were drawn for and presented. Andy auctioned the plants from Melanie Mason.

Meeting adjourned.

PIEDMONT DAYLILY CLUB

February 18, 2006

The meeting was called to order by Linda Gluck. We opened with the pledge of allegiance to our flag.
Linda welcomed all visitors and the newer members to our meeting.
Concerns: Kaye Arnold for surgery. Linda had spoken to Sue Gamble and she is continuing to make progress. The Olsen's daughter in law, Emily is doing well.

Andy Fox introduced our Program guest: Melanie Mason from "North Country Daylilies" located in Buskirk, NY

We all enjoyed a great presentation by Melanie. She gave Andy a list of several gift plants to be auctioned at our next meeting.

Old business: Linda asked if there were questions or comments on the proposed budget. Bob Marshall made a motion to accept the proposed budget. It was seconded and voted on. Budget accepted.

Monthly reminders will be sent by E-mail when possible with regular mail for those who do not have E-mail. Please check the sign up sheet on the entrance table for the correctness of your listing.

Bob Marshall led a discussion on the proposed "Photo Contest". It was suggested that we have four categories: Single flower, Multiple blooms, Clump, and Landscape. Possibly limit the number of pictures entered in each category per entrant. Size of the photos not to exceed 4x6. Photos would be displayed for vote at the yearly show. Bob will have details and guidelines typed and ready for consideration at the next meeting.

Linda's Daylily booklets are on the table for all to take as they leave.

Linda encouraged all to contribute to the cost of our meeting refreshments.

Our yearly show will be the 4th Saturday in June at the Carolina Mall in Concord.

New Business: Sandy Parker requests all to help with The Charlotte Garden Club's plant drive for "Habitat" homeowners. This drive is scheduled foe April 22. They could use perennials and daylilies, contact Sandy if you can help with donations.

Door prizes were drawn and presented.

The meeting was called to order by Linda Gluck. We opened with the pledge of allegiance to our flag.
Linda welcomed all visitors to our meeting.

Old business: The board met and the 2006 proposed budget will be discussed at our next meeting.
If you ordered a "Eureka" please see Mitchell Hagler to pick up and pay for your book.

Monthly reminders will be sent by E-mail when possible with regular mail for those who do not have E-mail. Please check the sign up sheet on the entrance table for the correctness of your listing.

Check the Winter " Daylily Journal" for information on the Winter Symposium.

Cindy Dye invited those interested in a possible new Daylily club to a meeting next Saturday.

We received a "Thank You" for our $150 gift to the Davidson Symposium.

Linda will have a informative booklet for all members next month.

New business: Bob Marshall proposed a "Photo Competition" within our club. After some discussion this was tabled and will be discussed further in our next meeting.

Linda encouraged all to contribute to the cost of our meeting refreshments.

Andy Fox introduced our program—Pat and Grace Stamile

A great presentation was enjoyed by all. Andy auctioned off some gift plants from the Stamilies.

Doorprises were drawn for from a great attendance of 67.

Annual Photo Contest Rules

Photo Contest is open only to Piedmont Daylily Club members

Entries will be snapshot size photos, from 3 1/2 x 5 inch up to and including a 4 1/2 x 6 inch print of daylilies. Traditional film photos and digital photos are acceptable in all categories. Computer enhanced or altered photos cannot be entered.

There will be four (4) categories. Members may enter up to three (3) prints in each category:

1. SINGLE BLOOM – Must be a registered cultivar, a single bloom centered on a natural background. Single bloom must be only ONE (1) bloom. Bloom must be as it was registered. (Example: if registered as polytepal, entry must be a polytepal bloom.)

2. MULTIPLE BLOOMS – Must be a registered cultivar, multiple blooms TWO (2) or more of the same cultivar) on a natural background. Blooms must be as registered (see category 1 above).

3. CLUMP - Must be a registered cultivar and must be of a single entire clump, from the ground up to the top of the blooms, not a print of a mass planting.

4. LANDSCAPE – Must be of a garden scene which features daylilies predominately.

Entries will be brought to the June Show. Photography Committee will stage entries for voting. Ballots will be available at the show for voting by members and visitors or observers. A panel of three (3) members will tally the votes.

The entry receiving the most votes in each category will be declared the winner. Ties in any of the categories will be handled as described below:

First place winners in each of the four categories will receive a daylily valued from $35 - $45.00; Second place winners in each of the four categories will receive a daylily valued from $25 - $35.00 as determined by current Eureka prices. In case of ties for first place in a category, daylilies of equal value will be awarded to each winner (see above for values). If there is a tie for second place in a category, daylilies of equal value will be awarded to each winner (see above for values). No member may win the first place award in a single category more than three times within any five-year period.

From a voting standpoint, the photo should be in focus with clear, vibrant color. Vote for the best PHOTO, not the prettiest flower, the newest or most popular flower. Remember, this is a PHOTOGRAPHY CONTEST!

In our first photo contest (June 2006), any photo's that you have that fit the above categories may be entered. Thereafter only photo's taken within the last year will be accepted.
